EXPERIENCE

Administrative Support / Security Guard

We One Security – UAE (Bank Site)

2024 – Present

- Managed daily attendance logs and visitor entry records.
- Prepared administrative reports using Excel and Power BI.
- Assisted supervisors with data tracking and documentation.

Security Guard

UAE

2023 – 2024

- Maintained detailed logs of staff and visitor movements.
- Supported access control and reporting activities.

Welfare Officer

Qatar

2018 – 2020

- Coordinated staff wellbeing programs and safety initiatives.
- Collected and organized data related to employee attendance and complaints.

Security Guard

Himaya Security – Qatar

2015 – 2018

- Monitored site security, recorded daily logs, and submitted reports to the control room.

PROJECTS

Bank Visitor & Staff Reporting Dashboard

Tools: Excel, Power BI, Python

- Collected and cleaned attendance and visitor data from daily reports.
- Built interactive dashboards in Power BI for bank supervisors to monitor entry trends and staff distribution.
- Automated weekly report generation using Excel and basic Python scripts.
- Resulted in more efficient tracking and improved administrative response time.
